Use the pull-down menu to select a SESSION.

The PRINT button allows you to print the schedule displayed below.

The COMMENT icon will appear if the parent enters a comment or question while making a booking.

The Conference Manager allows you to RESERVE TIMES when you are not available to parents.

Checkboxes are used to indicate when you are AVAILABLE or NOT AVAILABLE.

You can ADD ATTENDEES to a conference that was scheduled by a parent or the office staff.

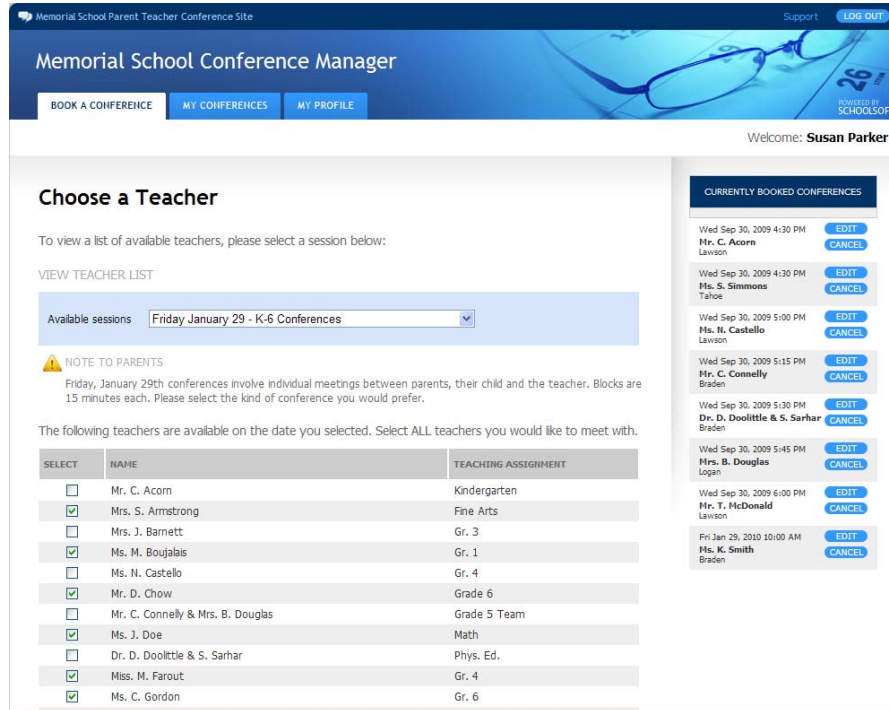

In this example, the teacher added the Resource teacher (Cathy Turner) to the 10:00 AM interview that was booked by a parent named, Susan Parker.

As a result, this conference will also appear on Cathy Turner's schedule.

HOW DOES THE PARENT PROCESS WORK?

An overview of the parent process is provided so you have a sense of how the pieces fit together. The school determines when the system opens and closes to parents.
